

GAMMILL QUILTING SYSTEMS, the world leader in hand and computer-guided longarm quilting systems, is pleased to announce the following Product News:

[2] BEVELED WHEELS added to Gammill/Statler Machines

In an effort to provide even greater stability in Gammill and Statler machines when gliding on the cross track; and to provide customers with **smoother, more precise machine stitching**; (2) two beveled wheels have been added to the right-hand side of all machines.

This quality improvement design change allows the user to:

- Quilt more smoothly and precisely.
- Create straight diagonal lines without the use of a ruler.
- Stitch freehand spirals more perfectly.

This change is
EFFECTIVE IMMEDIATELY

Retrofit Kit Ordering Options Include:

1. **\$90 Machine & Cross track Combo:** Includes 4 beveled wheels, 2 bolts and washers for installation.
2. **\$40 Machine Only Package:** Includes 2 beveled wheels only (Bolts and washers not included).
