

**2010 Southeastern Statler Retreat**  
**February 25 - 28, 2010**  
**The Lodge at Simpsonwood**  
**Atlanta, Georgia**

*A retreat for Statler owners designed to develop new quilting skills and inspire & energize your imagination & creativity.*

**Important Information about the 2010 Southeastern Statler Retreat**

**2 New Classes Have Been Added!**

Due to the large number of requests for the Custom Quilting class and the Advanced Borders class, we have added another Custom Quilting class to be taught by Kay Off and another Advanced Borders class to be taught by Al Hutchins.

We are currently working on scheduling the classes and we're doing our best to make sure everyone gets the 1-4 preferences that they requested. In some cases, this is not possible due to class preferences/teacher that conflict with the timing of another class preference/teacher. In the event of a conflict we will select an alternate from the preferences indicated on your registration forms. If there are no 5-8 preferences marked, Mary will contact you by phone or email. We are filling classes based on registration date so that it will be fair to all.

**Re: Laptop Computers:** You may bring a laptop if you wish, but it is not necessary. If you do bring a laptop, be sure it has the latest version of C.S. installed on it (currently that is version 2.0). Also, please be sure to have a mouse attached to the computer with a wire - not a wireless mouse.

**Overnight Accommodations:** We did not anticipate the overwhelming response we have had for this retreat. As a result, we have secured accommodations for some of the overflow that Simpsonwood cannot accommodate (they are booked with other events) at the Marriott in Norcross. A very small percentage of the later registrants will be staying overnight at the Marriott during the retreat. There are no additional fees associated with this change. Free transportation to and from Simpsonwood by the Marriott will be provided. Simpsonwood is about 1.6 miles from the Marriott. Mary will notify you if you will be staying at the Marriott so that you can make the appropriate shuttle arrangements to and from the airport.
