

GAMMILL QUILTING SYSTEMS, the world-class leader in hand and computer-guided longarm quilting systems, is pleased to announce the following Product News:

## NEW 4-WHEEL CROSSTRACK DESIGN

### UNIQUE FEATURES:

- The parking brake interior wheels have been eliminated.
- The change from the curly power cord to the straight cord eliminated the need for the interior wheels.

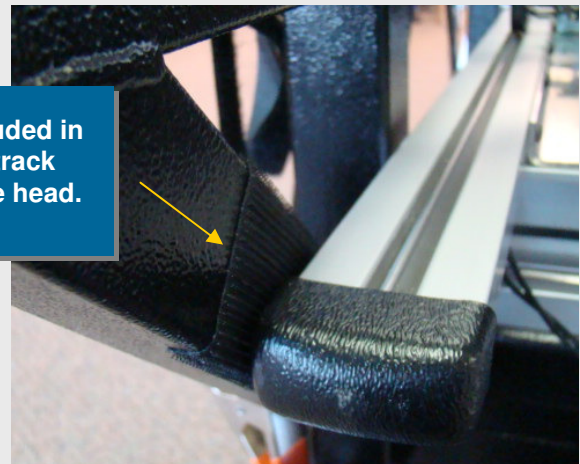

### AVAILABILITY:

- Gammill Models:  
\*Beginning March 23, 2009.
- Statler Models:  
April 1, 2009

**Added Feature:** Velcro strips will be included in table kits to be placed where the crosstrack meets the table bar to “park” the machine head.

*\*Implementation on machine models (Premier, Classic & Optimum) will vary based on production schedules.*
